THE BOTTLES XCLUSIVE!

**EDDIE
BAEHR**

Eddie Baehr is the creator behind those designs you just can't stop looking at. With a playful, fun approach and a love for bright colours, his illustrations tell fresh, exciting stories. Each of his patterns has its own spark and a style that instantly connects with the viewer. He has collaborated with well-known brands, taking his art to new heights, and is always looking for new ways to surprise. With his boundless creativity, Eddie continues to push the limits of design, creating pieces that inspire all who see them.

Good Vibes is pure optimism. A collage of cheerful ice cubes, fruit, rainbows, ice creams and feel-good phrases that lift your mood at first glance. Everything pops with vibrant colours and spontaneous shapes like a summer playlist turned into a print. It's impossible not to smile. Because sometimes all you need is ice, sun... and to not take life too seriously.

Electric flowers, abstract lightning bolts and wild forms collide in perfectly orchestrated chaos. A graphic jungle for those who love the unexpected. Bold, modern, unfiltered.
